THE BEST NATURAL APERIENT WATER. BOTTLED AT THE UJ HUNYADI SPRINGS, BUDA PEST, HUNGARY.

"Gentle, but satisfactory in its action. Remarkable for its richness in magnesium sulphate, exceeding that of all other water—always of the same strength, which is, of course, a matter of great importance."

"A much-esteemed purgative water."—"Its composition is constant. The practitioner is thus enabled to prescribe definite quantities for definite results."

"Affords those guarantees of uniform strength and composition which have long been wanting in the best-known Hunyadi waters."

"Belongs to that large class of aperient waters which come from the neighbourhood of Buda Pest, commonly known under the generic name of Hunyadi."

THE APOLLINARIAS COMPANY, LIMITED. The man whose house had been plundered was confronted with a crowd of men from the village and told to pick the first he pointed out.
